

Reflection on learning

Confucius said: 'Learning without reflection is a waste: reflection without learning is dangerous.'

What did I learn?

It might be that you recognise you are doing things right... or you might have learned something new...

.....

What might work for me?

What are you going to change... what can you do better... how can you improve your ways of working?

.....

What impact have the changes made on ways of working?

Reflect on how the changes you have made have improved your professional development and raised outcomes for the children.

.....

Do you need more information?
